Text Alert is used to get short, immediate messages out to registered users who have an interest in helping to reduce crime and help keep the community in which they live or work safer.

CALL THE POLICE 101
IN AN EMERGENCY ALWAYS CALL 999

A key challenge facing Antrim and Newtownabbey Policing and Community Safety Partnership (PCSP) is how we can engage and communicate better with the communities we serve.

Antrim and Newtownabbey PCSP and the PSNI have listened to the community particularly in our rural areas.

Not all citizens have access to or are comfortable with social networking platforms which many statutory, voluntary and community organisations now use to deliver key messages and information to their members.

Antrim and Newtownabbey PCSP in conjunction with PSNI have developed a Text Alert Scheme which will allow important messages to be sent to citizens of Antrim and Newtownabbey Borough who sign up for the scheme by SMS text message almost instantaneously if there is an issue in their area.

Members of Antrim and Newtownabbey Borough Text Alert Scheme will receive an SMS message to their mobile phone with relevant community information in their area.

Text Alert is used to get short, immediate messages out to registered users who have an interest in helping PSNI and PCSP to reduce crime and help keep their community safe.

Registered users will only receive Text messages from Antrim and Newtownabbey Borough Council / PCSP or the PSNI.

Your mobile number will not be shared with any other external body or organisation. Your information will be held securely by two named data controllers from Antrim and Newtownabbey Borough Council / PCSP and the PSNI.
